

NEW DROP OFF PROCEDURE AT THE QUEEN EMMA STREET LOT!

Aloha Ke'elikōlani Middle School Parents and Guardians!

Please help us alleviate the morning traffic on our campus. We are starting our new morning drop off procedure for the Queen Emma Street parking lot.

Please drop off your child in the stalls on Queen Emma as indicated on the map.

- There will be assistance in directing drivers to the drop off site the first week of school.
- There will be two points of entry once your child is dropped off.
- You will be allowed to enter campus to pick up your child in the afternoons.

The drop off on the Kukui Street side will remain the same. You may drive in to drop off your child. Students walking into campus may enter at these marked areas marked with **X**.

Thank you!

Ke'elikōlani 'Ohana
