What is TRiO Educational Talent Search?
TRiO Educational Talent Search (ETS) serves young people in grades six through twelve in career and college planning. In partnership with your school, students participate in grade-specific activities held at your school, in the community, and at college campuses. *FREE services & activities include:

- College and Career Awareness and Planning
- College Fairs & College Visits
- Financial Aid Planning, Financial Literacy Skills
- SAT/ACT Prep Workshops & Fee Waivers
- College Application Fee Waivers
- NCAA Fee Waivers
- Study skills/Tutoring Resources
- Academic/College & Career Planning Advising
- Cultural Enrichment
- We also provide Educational Tools such as backpacks, binders, dividers, etc. to support success and persistence in school!

*There is no cost to the student or family to participate in the ETS program. The ETS project is 100% federally funded.

Who can participate in TRiO ETS?
- Students attending a Hawai’i DOE public school participating with TRiO ETS
- Students in grades 6-12**
- Student must be a U.S. citizen or eligible non-citizen

**Preference given to students whose family income does not exceed guidelines established by the federal government and whose birth or adoptive parent(s) have not earned a four-year college/university degree.
